7. Solicitation Proposal due date has been extended to March 2, 2021 at 2:00pm CT.
8. Technical evaluation **Factor 2 - Capacity, and Past Performance of the Prime Contractor** which currently reads:

Factor 2 - Capacity, and Past Performance of the Prime Contractor: This factor considers the extent of the offeror's recent and relevant experience on projects of similar scope, magnitude and complexity.

This factor requires the contractor to have completed at least three (3) successful projects of similar scope and size within the last three (3) years and must be at least 75% completed. The Government will evaluate past performance to assess the risk associated with an Offeror's likelihood of success in performing the requirements as indicated by an Offeror's record of past performance under other contracts. The contractor shall provide at least three (3) projects that include the following information (8-1/2 x 11, double spaced, 12pt font, no more than three pages):

1. Project Name
2. Project Description
3. Contract/Task Order number
4. Customer Name
5. Customer POC Name and contact information
6. Project amount at award
7. Project amount at completion if unfinished (if the final amount is the same as the award amount, state so)
8. Square footage of remodeled structure

As a minimum, relevant experience must include the following to receive an acceptable rating for this factor:

1. The offeror must submit evidence of the Prime Contractor's recent and relevant experience. Offeror shall submit at least three (3) projects with the information requested above. All information provided must be accurate, current and complete.
2. Offeror must demonstrate familiarity and experience with "same or similar" to the project described here in the solicitation.
3. All projects submitted must be at least 75% complete.
4. The government will contact the customer references to confirm experience is recent and relevant; and has a reasonable expectation that the offeror will successfully perform the required effort.

is hereby revised with the following language:

Factor 2 - Past Performance of the Prime Contractor: This factor considers the extent of the offeror's recent and relevant experience on projects of similar scope, magnitude and complexity. The Contracting Officer may consider factors such as Past Performance on previously awarded contracts and task orders and CPARS, and take into consideration, quality and timeliness of work performed, and/or other factors that may be relevant to the award of this particular order.

This factor requires the contractor to have completed at least three (3) successful projects of similar scope and size within the last three (3) years and must be at least 75% completed. The Government will evaluate past performance to assess the risk associated with an Offeror's likelihood of success in performing the requirements as indicated by an Offeror's record of past performance under other contracts. The contractor shall provide at least three (3) projects that include the following information *(8-1/2 x 11, double spaced, 12pt font, no more than three pages)*:

1. Project Name
2. Project Description
3. Contract/Task Order number
4. Customer Name
5. Customer POC Name and contact information
6. Project amount at award
7. Project amount at completion if unfinished (if the final amount is the same as the award amount, state so)
8. Square footage of remodeled structure

As a minimum, relevant experience must include the following to receive an acceptable rating for this factor:

1. The offeror must submit evidence of the Prime Contractor's recent and relevant experience. Offeror shall submit at least three (3) projects with the information requested above. All information provided must be accurate, current and complete.
2. Offeror must demonstrate familiarity and experience with "same or similar" to the project described here in the solicitation.
3. All projects submitted must be at least 75% complete.
4. The government may contact the customer references to confirm experience is recent and relevant; and has a reasonable expectation that the offeror will successfully perform the required effort.
