

COVID-19 Precautions, St. Cloud VA Health Care System

1. All pre-bid site visitors are required to follow current VA precautions for preventing the spread of COVID-19 while on VA property. These precautions currently include:
 - A. All vehicles entering the site must pass through one of the two screening checkpoints on the main roads off of Veterans Drive. Vehicles may only leave via these same roads.
 - B. All pre-bid site visitors must enter and exit the buildings at one of the four following approved locations:
 - 1) Front door of Building 1
 - 2) Northwest carport entrance near Building 48
 - 3) Front door of Building 111
 - 4) Front door of Building 116
 - C. Travel through extended care in Buildings 49, 50 and 51 is prohibited.
 - D. While inside any building, pre-bid site visitors must wear a face mask. The face mask is not required to meet a certain standard. Any cloth face mask or dust/surgical mask is acceptable.
 - E. Any pre-bid site visitor exhibiting fever, cough, or other flu-like symptoms will be denied access to the facility. Any pre-bid site visitor that develops these symptoms while on VA property will be required to leave immediately.
2. VA policy on COVID-19 is subject to change.
