WAITING AREA "A"

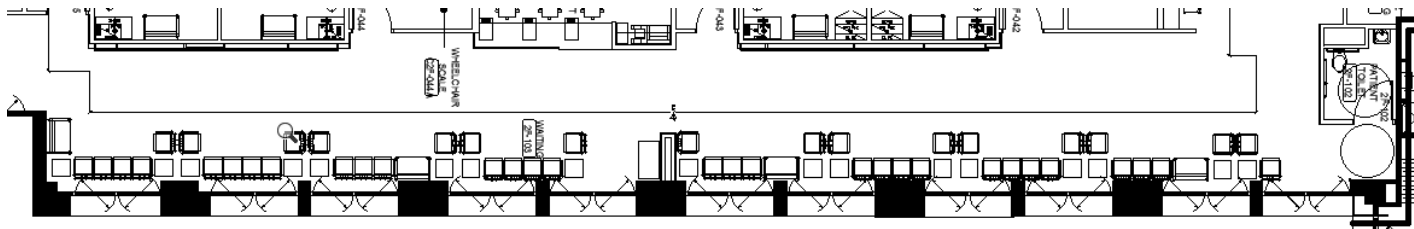

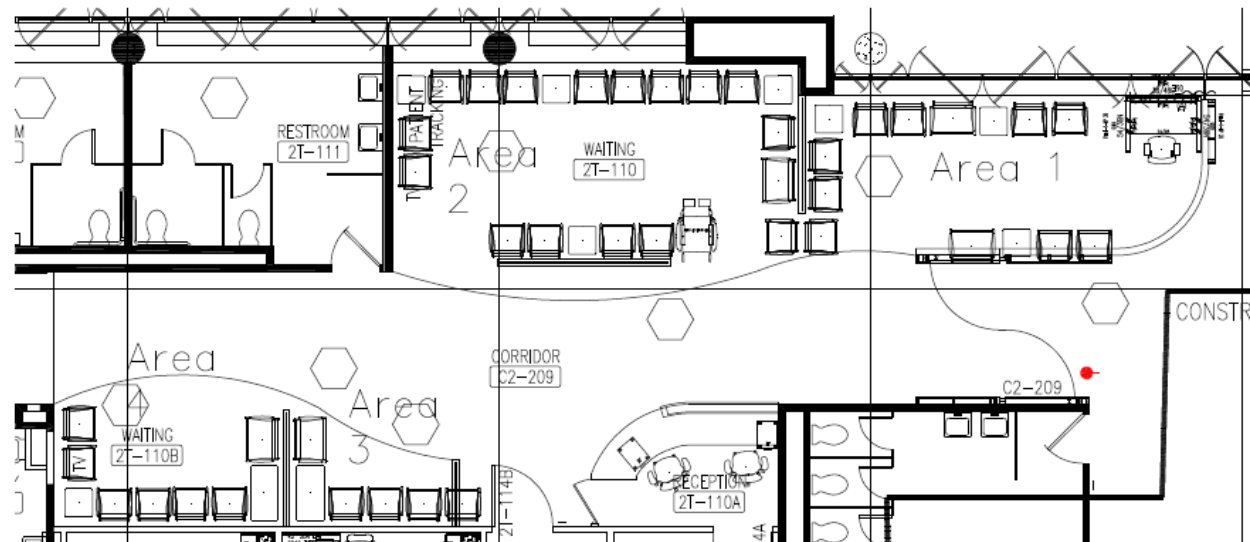

- Photo to show space only, chairs were removed to achieve social distancing guidelines.

2F Specialty Clinic

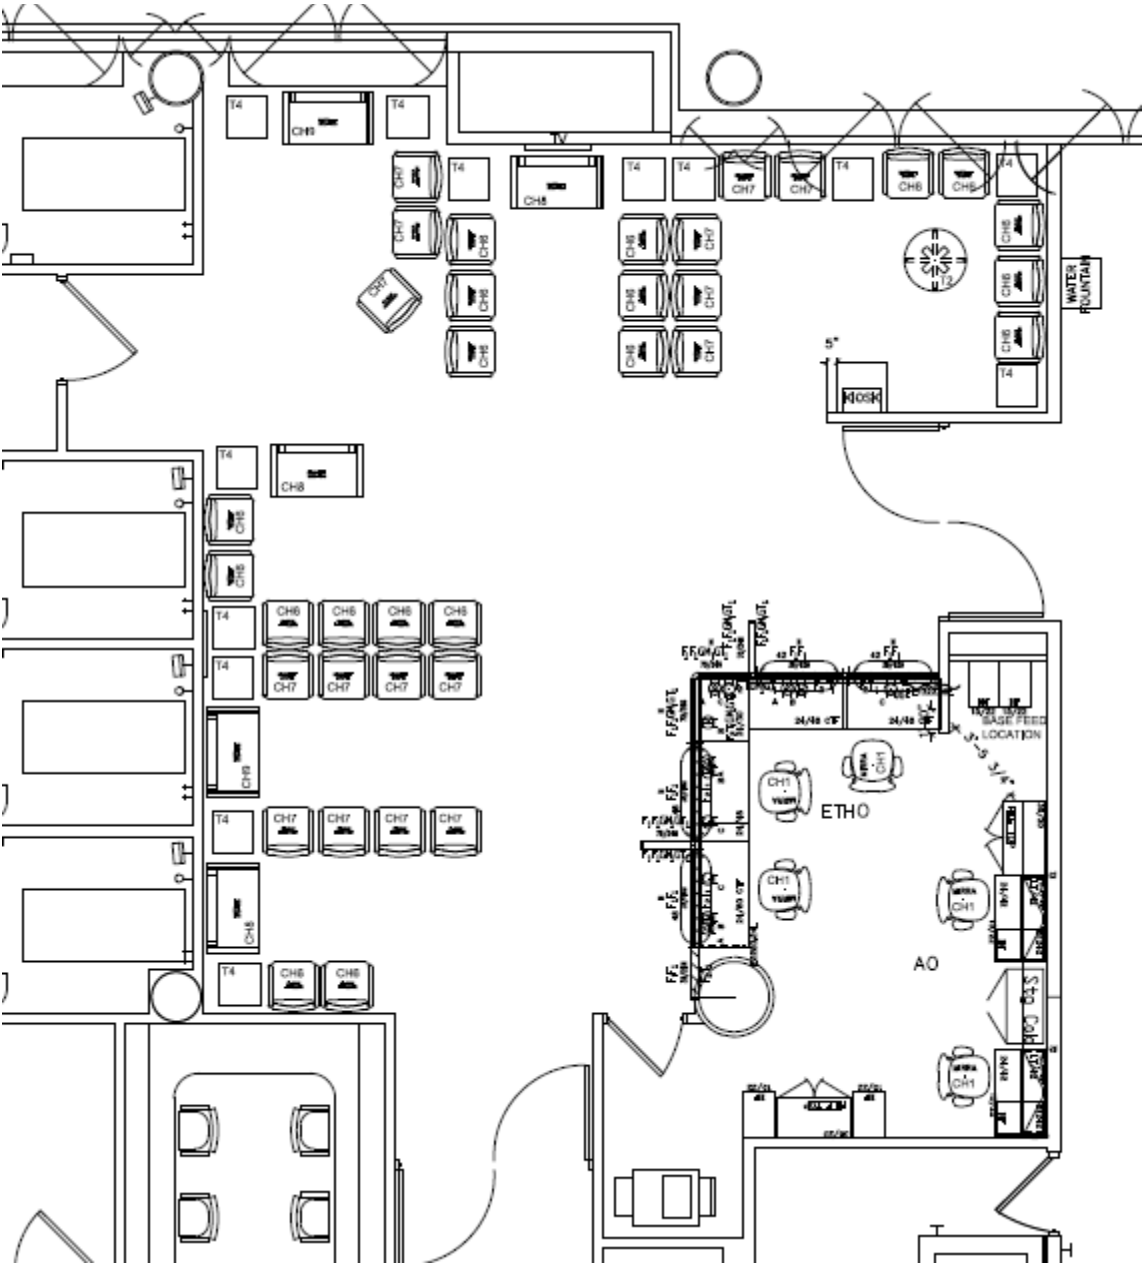

2V Surgery Center

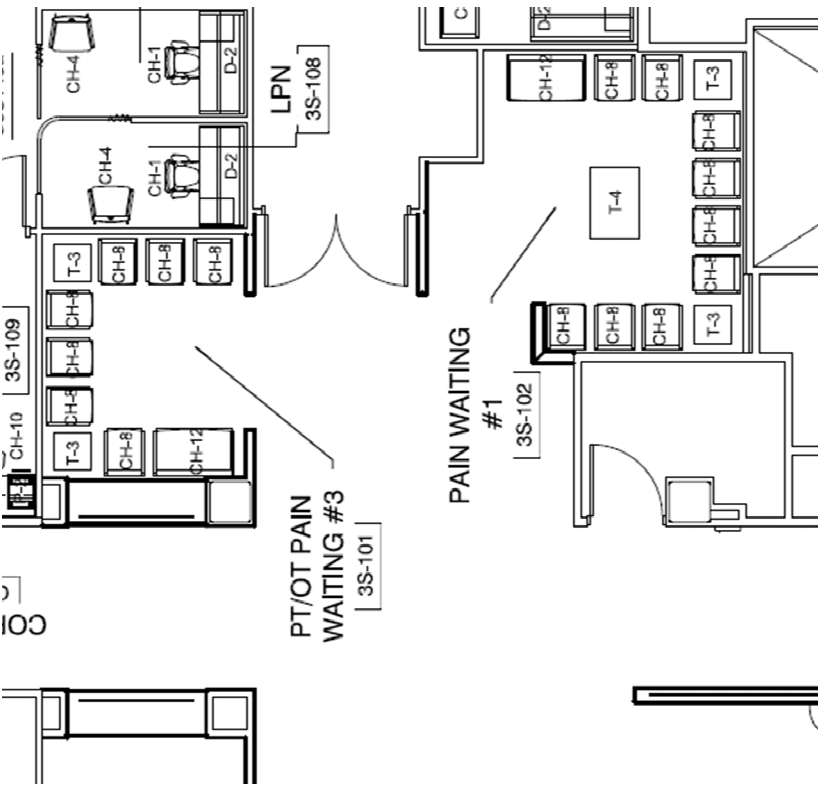

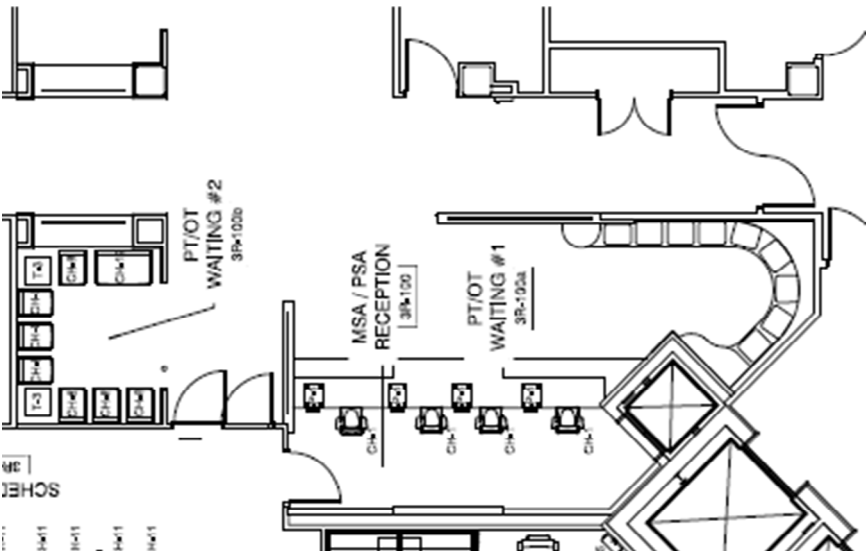

3V GI/Hem Onc

3R Pain Maintenance & Rehab

Waiting Area 1

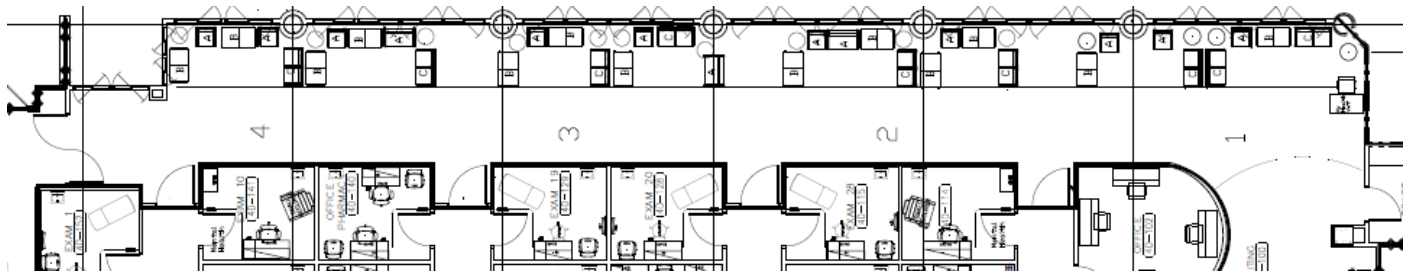

Waiting Area 2

Waiting Area 3

4D Super Clinic

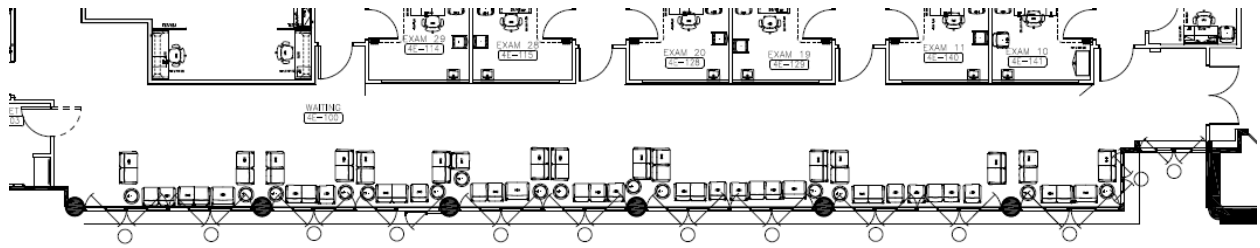

4D waiting area

4D Super Clinic Reception Desk

- This reception desk needs to have the millwork barriers installed (reference 4E reception desk image). This requires millwork drawings and parts to be specified, ordered and installed. This will look like the desk in 4E when completed.

4E Super Clinic

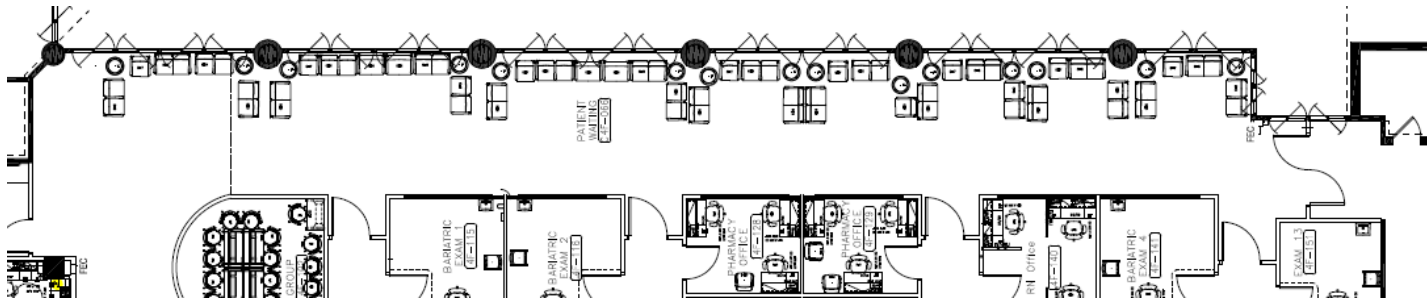

4E waiting area

4E Super Clinic Reception Desk

- **Picture for reference only. The image shows the millwork barriers that are already installed. This should be used as the basis of design for installing similar parts in 4F (already purchased and onsite in storage) as well as specifying parts that will need to be ordered to complete the install in 4D.**

4F Super Clinic

4F waiting area

4F Super Clinic Reception Desk

- This reception desk needs to have the millwork barriers installed (reference 4E reception desk image). Parts are onsite and in storage, just need installation. This will look like the desk in 4E when completed.
